

SCHOLARS' ANTHEM

*Read, Read, Read, Oh Scholars You;
Read in the name of sustainer, who created you!*

*The man from clotted blood created you;
Read thy Lord is generous with pen taught who
What man did not know Allah taught him so
Read, Read, Read, Oh Scholars You!
Read in the name of sustainer who created you.*

*Write, Write, Write, as Scholars do;
We Woo, We Woo, We Woo;
Something great we will do.
Stumbling stones and blocking peaks;
We will cross or will move*

*Read, Read, Read, Oh Scholars You!
Read in the name of sustainer who created you.*

*What looks impossible to them,
We will show we can do.
For at our rescue is he who;
Instructs us to do.
Anything and everything;
From stagnation to move.*

*Read, Read, Read, Oh Scholars You
Read in the name of sustainer who created you*
